TERMS OF SALE

1. **A 10% Buyers Premium is added to all invoices.**
2. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to KATEN SALES can attest to this statement.
3. We make no other charges except the actual cost of mailing, and insurance/registration. On books we charge 50¢ with added cost when a number of books are in the same lot. We use discretion and never overcharge you. Minimum charge on books is \$1.00.
4. Bidders unknown to us must send a deposit of 25% of their bids. References are useful for later bidding.
5. We reserve the right to reject any bid from any bidder when we deem a bid not made in good faith. 'Penny' bids are not entered and the minimum acceptable bid is \$3.00 with increments of 50¢.
6. Auction sales are not approval sales. By submitting your bids you agree to the Terms of Sale herewith set forth. No lot may be returned without written permission and request must be made within five days after receipt of material. No lots may be returned by floor bidders.
7. All books are as described. The actual title in a foreign language is given — the cataloguer may interpret the title which would be in parenthesis. All books are in fine condition unless otherwise mentioned; are hard bound unless pb (pamphlet binding) is mentioned; or CaC (card binding) or pc (paper covers) is mentioned.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 40 years ago for your protection.
9. Auction Sales for U. S. Cash Funds. Payments must be made immediately upon receipt of material or upon notification. We reserve the right to demand payment before delivery.
10. Lots delivered in the State of Maryland are subject to a 5% Sales Tax and will be added to the invoice.

In her Preface, Dr. Kathryn Behrens says, "The study of the paper currency question has been undertaken in order to present to the reader one of the very important phases of early Maryland history. An effort has been made to show the generally sound policy of the assembly with regard to its paper issues, and to assign causes for the success or failure of each as the case may be." (a very fine book, F.J.K.)

The book has 96 pages, Bibliography and an Index, with paper covers. They are brand new copies having been wrapped by the Johns Hopkins Press back in 1923. The pages are uncut, hence all are in pristine condition.

Sales at auction have brought \$35.00 to \$40.00, generally for used copies. **20.00**

- 977 MUNZEN und MEDAILLEN A.G. Basel.
 These lists have been issued for years, religiously on a monthly basis. Earlier they were in letter press size app. 9x12". Starting with List 76, October 1948, they were printed size 6-3/4 - 9 1/2". They run from 8 to 20pp., and contain some of the finest Foreign and Ancient coins. Most issues have 2 to 4 fine plates.Finally these lists are kept for reference and seldom hit the commercial outlets. This lot starts with No. 76, October 1948 and ends with List 443, April 1982. There are 215 copies, no duplicates and obviously a wonderful collection for research. The condition runs from fine to about NEW.
 We feel an estimated value of \$200.00.

SILK & LINEN MONEY, U.S. POSTAGE STAMPS, MEDALS, FOREIGN COINS, SURPRISES

CONSIGNMENT G

NOTGELD! Not paper or metallic pieces, but artistic LINEN, SILK, VELVET, JUTE, all from Bielefeld, Germany. Back in 1972 two eminent numismatists, Walter Grasser and Albert Pick catalogued the material under the title "Das Bielefelder Stoffgeld 1917-1923." The following pieces are attributed to this catalogue. We also have some good news - Mr. Bob Waszilycsak has translated the entire catalogue from German to English. Bob, a Fulbright scholar has done a tremendous job and only wait permission to print the catalogue here or abroad. This would be a big step for this particular facet of Numismatics. Congratulations, Bob, for this work, actually a labor of love. FJK.

PAPER MONEY IN MARYLAND 1727-1789

BY

KATHRYN L. BEHRENS, Ph.D.

BALTIMORE
THE JOHNS HOPKINS PRESS
1923

In her Preface, Dr. Kathryn Behrens says, "The study of the paper currency question has been undertaken in order to present to the reader one of the very important phases of early Maryland history. An effort has been made to show the generally sound policy of the assembly with regard to its paper issues, and to assign causes for the success or failure of each as the case may be." (a very fine book, F.J.K.)

The book has 96 pages, Bibliography and an Index, with paper covers. They are brand new copies having been wrapped by the Johns Hopkins Press back in 1923. The pages are uncut, hence all are in pristine condition.

Sales at auction have brought \$35.00 to \$40.00, generally for used copies. **20.00**
